## Financial Report

By now you have received a letter from Pastor John explaining the financial challenge we as a church family are facing. The letter described the shortfall in general offerings through June 30, and the need for a sacrificial offering—equal sacrifice not equal gifts, each according to what the Lord lays upon their hearts. The letter also outlined some proposed cuts to payroll, benefits, missions, and benevolence. This morning we will be collecting a special offering along with pledge cards where you have an opportunity to let us how much you are able to give above your normal contributions between now and the end of the year. If you didn't get a pledge card from the ushers on your way in, let them know so they can provide you with one.
